

REMARKS

This Corrected Listing of the Claims is filed in response to the Notice of Non-Compliant Amendment under 37 U.S.C. §1.121, mailed 11 October 2005.

Comments regarding claim amendments are found in the Amendment entered 23 May 2005.

Claim 52 (element d) is further amended to remove recitation of the word 'about', as intended in the 23 May 2005 Amendment.

Currently amended claims 52-58 more particularly point out and distinctly claim various formulations of the present invention. In view of amendment to these claims, along with Remarks and Response to Rejections within the 23 May 2005 Amendment, Applicants respectfully take the position that claims 52-58 are in condition for allowance. The Examiner is invited to contact the undersigned attorney if clarification is required on any aspect of this response, or if any of the claims are considered to require further amendment to be placed in condition for allowance after entry of this Amendment.

Respectfully submitted,
